II Brief Information about the Activity

Topic/Subject of the Activity	All Mumbai Interschool/Intercollegiate Environment based Festival.
Objectives for conducting Activity	<ul style="list-style-type: none"> ➤ To create awareness about important environmental issues. ➤ To alert society to the need for environmental conservation. ➤ To tap the creative thinking of the student fraternity to evolve ingenious solutions to safeguard the environment. ➤ To reach out to the less fortunate by adding a social dimension to the Fest. (Differently abled children) ➤ To train student-teachers in their role as entrepreneurs.

Methodology	<ul style="list-style-type: none"> ➤ It was a one day environmental festival which included 12 competitions all based on themes relating to the environment. ➤ Schools and Colleges compete on separate platforms and three Awards each are presented to the Best School and College participating at the event. ➤ There is networking between the student fraternity, academia, industry, environmental NGO's media and corporates who participate in the fest as a part of their CSR.
Outcome	<ul style="list-style-type: none"> ➤ The youth showcased their creativity, ingenuity and critical thinking skills as they endeavoured to prove their concern for environmental protection. ➤ Helped student-teachers to nurture their entrepreneurial skills.
