20th March, 2020
9.00 a.m. - 4.30 p.m.

ABOUT THE INSTITUTION:

St. Teresa's Institute of Education, is a pioneering Christian Minority, Teacher Education Institution affiliated to the University of Mumbai. The College works towards the lofty ideals of creating teachers who are competent and compassionate. The focus is on the conscientious sensitization of student-teachers to be artisans who will fashion the future of society. The institution works steadily towards its motto of 'Excellence in Education'. The philosophy of the college is guided by the sublime principles of St. Teresa of Avila, the foundress of the Congregation of the Carmelite Religious (CCR). St. Teresa's Institute of Education has been Re-Accredited in its 3rd cycle with an 'A' grade by the National Assessment and Accreditation Council (NAAC).

ABOUT THE THEME:

With globalization and technological advancement, education today is undergoing great transformation. This has prompted re-engineering of Education which has impacted the society to in an enormous way. For the effective functioning of the Education system, there is need to respond to change and sustain practices that are resilient. Stake holders are expected to reorient themselves to address the changing paradigms of teaching-learning, by gearing up for the change. Hence, there is need to discuss and evolve ways and means of transforming the practices in educational institutions that serve humanity. This is a platform forum for brainstorming on such concerned issues and to equip education functionaries with the required skills, to upgrade and to facilitate progress in the system.

Original unpublished research/conceptual papers, case studies on the seminar theme are invited from Teachers, Librarians, Academicians and Research Students of all faculties. Abstracts and main papers should be sent on stieseminar2020@gmail.com

All selected papers will be published in a publication with an ISBN.

OBJECTIVES:

- ✓ To share academic best practices, innovations and research.
- ✓ To explore the scope for networking, collaboration and partnership
- ✓ To deliberate upon future challenges in higher education.
- ✓ To suggest recommendations that address educational policies.
